

Pilot Projects

The professional staff shall be encouraged to seek improvement of the educational program of the schools through all appropriate means including carefully designed experimental programs.

Experimental programs and pilot programs must have the approval of the Board except as they represent minor departures from previously authorized programs. Approval shall be on a year-to-year basis. Any such programs requiring additional personnel positions, changes in authorized positions or the transfer of authorized funds must have Board approval.

Adopted: October 24, 1989

Revised: April 23, 2013
