The Board discusses amendments to handbooks by including the activities eligibility information to the other two handbooks so that all can be reviewed by parents at once. The Board President would like a notification sent out to district families informing them that the updated version is available once updated and placed online. John Batka asked if this was just for athletics or for all school activities. Mr. Fabrizius and Mr. Ring read that the handbook states that it is for eligibility for school activities not just athletics.

Motion: John Batka motioned to approve the Middle School and High School Handbook to include the Activity Eligibility Policy. Tara Steinke seconds the motion.
