

School Supply List

At HMS, we want to show you respect, and not ask you to purchase anything for your child that isn't absolutely necessary. Because of this, our supply list is very small. It is very likely your child may need additional supplies down the road depending on your child's schedule. Here are the necessities:

- Backpack
- Pencils (at least 24)
- Ink Pens (8-12)
- Highlighters (4-pack)
- Colored pencils (8-pack)
- Paper (one of the following)
 - 1 5-subject notebook -or-
 - 5 1-subject notebook -or-
 - 250 sheets loose leaf paper along with a 3-ring binder and dividers
- Wired headphones or earbuds. Please don't invest in expensive headphones or ear buds; inexpensive ones in the \$5-\$10 range is sufficient.
- \$5 Student enrollment fee (covers comp notebooks, copy paper, ect.)

Please remember, lockers are only available upon request. Your student will carry supplies in their backpack throughout the day; supplies above and beyond the minimum listed above will add additional and often unnecessary weight for your son or daughter to carry throughout the day.
